

This year we will be learning a range of exciting topics including memories, space, magical moments, superheroes and animal antics. We will be making cross-curricular links to our Art and DT using a variety of different resources to express our topics we are learning about in each term. We will be exploring body parts, plants, animal groups, materials and planets in Science. We will also be developing our community engagement links through outcomes such as going to The Big Cat Sanctuary to gain more understanding on job roles, how to look after pets and animal groups.

Trip Costings for the Year:

Term 1: Fundraising to happen to ensure all children can attend trips.

Term 2:

Term 3:

Term 4: £20 for forest school

Term 5: £15 The Big Cat Sanctuary and £7.50 for swimming lessons

Term 6:

Homework:

Each term the children will receive a homework grid with a range of activities linking to their learning across subjects. These will be posted on Class Dojo and a hard copy will also be provided in Homework books. These can be completed within homework book or in a more creative, fun way.

Reading:

We will be sending reading books home each day and ask that you try to read with your child 3 times a week to help develop their decoding and blending skills. Your child may also use Bug Club which they have an individual login for.
