

PHOENIX CURRICULUM OVERVIEW PRIMARY SCHOOL TERM 1

Topic: The Stone Age!

This term Year 3 are immersing into the Stone Age. We will be learning about chronological order and how things have changed. In Maths we will be learning about Place Value followed by Addition and Subtraction. In Science, we are extending our knowledge of Forces and Magnets by completing a variety of experiments.

Guided Reading Texts:

Stone Age Boy

Stig of the Dump

24 hours in the Stone Age

Reading & Bug Club:

We will be sending reading books home each day and ask that you try to read with your child 3 times a week to help develop their decoding and blending skills. Your child may also use Bug Club which they have an individual login for.

Trips & Costing
Gurdwara: Free

Homework

You will receive a grid of curriculum- based tasks to complete over the next two half terms. These will be posted on Class Dojo and a paper copy given. These can be completed within your homework book or in a more creative, fun way.

TTRockstars

Through engaging games and challenges, your child can reinforce their multiplication skills in an enjoyable way. Whether at home or on the go, TT Rockstars is accessible on various devices, allowing your child to practice their times tables whenever and wherever convenient.
